The "Three Fifteen" Rose Bed

A Triple-service Selection that you will enjoy.

Fifteen Rose Bushes of three varieties planted as per plan will give you a worth-while showing and serve you in these three ways:

1. Five Bushes of one variety will give you Buds for Boutonnieres.
2. Five Bushes of one variety will furnish Flowers for the Table.
3. Five Bushes will supply a showing in the Rose Beds continuously.

Simply give us the following information:

1. Is your soil sandy, clay or loam?
2. Is your winter temperature warm, temperate or very cold?
3. What three colors do you prefer, red, white, pink or yellow?

We will make a selection from our first quality bushes of Ever-blooming varieties that will meet all of your conditions and in addition give you this three-way enjoyment at the moderate cost of \$10.00.

The "Little Evergreen Collection"

6 for \$10.00 F.O.B. New Brunswick

This collection is made up of 2 Norway Spruce 1½ to 2 ft., 2 Arbor Vitae 1 ft. to 1½ ft. high, and 2 Chinese Arbor Vitae 2 ft. to 3 ft., each plant shipped with roots in ball of dirt and burlapped so that it reaches you in good condition.

These bushy Evergreens are fine for window boxes, for planting in groups on the lawn or to fill in among large Evergreens in a foundation planting.

The fact that over 500 of these collections were sold last year testifies to their popularity, and the unusual value they represent.

JAPANESE BARBERRY

the popular Hedge Plant

The bright red berries through the Winter and bright green foliage in the Spring, changing to bright red and scarlet in Fall, plus the thorny branches, make this a very desirable hedge plant —may be trimmed to a formal shape or allowed to grow irregularly which it does slowly. Also very good in a group on the lawn or as a foundation planting for the house.

Specimen Plants \$1.00 each and \$2.00 each

(For Hedging—(1 plant per foot)

	Per Dozen	Per 100

Don't let your roses go hungry

The "Bungalow Collection"

12 Evergreens for \$25.00

- (1) 2 Chinese Arbor Vitae, 3-4 ft.
- (2) 2 Norway Spruce, 2-3 ft.
- (3) 2 Savin's Juniper (spreading), 1-1½ ft.
- (4) 4 American Arbor Vitae, 1-1½ ft.
- (5) 2 Globe Arbor Vitae (dwarf), 1-1½ ft.

This group of Evergreens has been selected to give the owner a good showing at a limited price. A quality selection of varieties, they are large enough to make a showing and when properly spaced will permit of their full development on all sides—not an over-stuffed effect, but one to which other plants may be added if desired in another year.

Can be shipped by freight or if preferred by express—Priced F.O.B. New Brunswick, N. J.

AT THE SIGN OF THE ROSE

We cordially invite you to visit our nursery this Spring—if you wish to see the stock before you buy.

This Summer—after June 20th, if you think you would enjoy seeing over 100,000 Roses of over 100 varieties in full bloom.

Any day we will be glad to welcome you—

Directly on the Lincoln Highway, just three miles south of New Brunswick towards Princeton.

Our sign above will greet you by the roadway.

FLOWERING SHRUBS

12 Shrubs for \$5.00

F.O.B. New Brunswick

Two each of the following in a size of $1\frac{1}{2}$ -ft.,
2-ft.:

Forsythia or Golden Bell.

Deutzia—pink flowering.

Philadelphus—mock orange.

Lilac—purple.

Spirea—Bridal Wreath.

Hydrangea—Hardy late flowering.

From Spring till frost you may have a show of
flowers with a group of hardy shrubs.

Use them to hide an unsightly spot and enjoy
that part of your yard.

SHEEP MANURE

for lawns and all of the garden

Feeding the garden and the lawn is just as important as careful planting and watering.

Every year brings the need for renewed fertility.

Pulverized Sheep Manure is a concentrated and convenient form, as well as a time-saver over the old-fashioned horse or cow manure—used for liquid manure it is highly effective.
